### A Pertinent Query.

Will Lumbermen Work in Concert, or shall we be "Dommed" at the Mouth of the Creek, every time we have a Flood?

MR. EDITOR :- It is remarkable that a question of such vast importance should receive so little attention at the hands of those directly interested.

One or two rafts, or barges, coming most sure to make a gorge at the Tionesta bridge; and especially when all be avoided, if owners and jobbers would work in concert, as parties mutually interested, and form a system which could not but prove advantageons to both.

System is the basis of success in all hare a system, and though the waters are much rougher, yet if we proportion the length of the streams, and the amount of lumber run, we will find that the cost of running is much less than it is in Tionesta Creek.

I do not propose to give my views of a system which would remedy this evil, at the present time; but hope Tionesta hundred men armed with picks and hundred men armed with picks and shovels can do the work.—Pet. Mr. Samuel Bell, of W. E. Sebmertz & Co., Wholesale Boot and Shoe Manufacurers, 31 Fifth avenue, Pittsburgh, Pa., has been afflicted with chronic rheumatish for thirty years, from his right hip to his foot, thirty years, from his right hip to his foot, having to use a crutch and a cane, at times so painful as to utterly incapacitate him from attending to his business. Having tried every remedy known, without effect, except Gilliland's Pain Killer, he was finally induced to try it. A second application enabled him to lay aside his crutch, and a third effected a permanent cure. Mr. Hell is a popular and well-known citizen, is a living monument of the effacacy of that great medical discovery. Gilliland's Pain Killer. The afflicted should ask their grocer or draugist for it, and try its wongrocer or druggist for it, and try its won-derful power. Mr. Gilliand, we under-stand, wants a respectable agent in every town and county for it. The principal of-fice is at 72 Third Avenue, Pittsburgh Pa.
